

## **The Positive Living Conference**

Patterned after the AIDS Minnesota Conference held in Bradenton Florida, the Positive Living Conference is for and by HIV Positive people.

95% of conference attendees are HIV Positive,

85% of the conference presenters are HIV Positive,

100% of all the seminars are HIV related.

The conference is a 3-day affair starting on Friday at 11am, closing the last session at noon Sunday. Sessions will be offered each day, with the majority of the sessions occurring on Saturday.

In between sessions, time permitting, there are short breaks, and lunch offered at midday,

Friday and Saturday. At the end of the sessions on Saturday, we honor those that have been separated from us by AIDS in a Heart Circle, accompanied by the presentation of panels from the AIDS Memorial Quilt.

There are dinners Friday and Saturday nights highlighted with guest speakers, and award presentations.

To many of the attendees this is a family reunion, building love and bonds beyond all demographic barriers.

One learns to live POSITIVELY  
at the POSITIVE LIVING CONFERENCE

For 24 years, OASIS Florida  
has hosted the Positively Living Conference  
at the same location, weather permitting.  
Once again, the Island Resort offers its sandy beaches  
and fantastic accommodations for our service.  
The staff have become a part of our family  
bending over backwards to address your needs.  
Each night after dinner service, there is some entertainment offered.  
Small impromptu gatherings have been known to pop up on the beach as well.  
The objective of this conference is to offer a safe place,  
without stigma, for those living with HIV and AIDS  
to build friendships and kinships  
while learning the means to bettering  
your experience.
